

Alpha Lipoic Acid+

Enhance Detoxification and Support Liver Health*

Patient Benefits:

Alpha Lipoic Acid+ is a premium-grade preparation of alpha-lipoic acid (ALA). Through proprietary technology, the potentially harmful chemical by-product epillipoic acid is removed and polymer residuals kept at a minimum, resulting in a purity-controlled product that delivers maximum value and effectiveness with an excellent safety profile.

- ✓ **Potent antioxidant activity.** Provides antioxidant activity in both aqueous and fatty regions of the cell, crosses the blood brain barrier, extends the functional capacities of vitamin C and E and coenzyme Q10, and directly scavenges free radicals.*
- ✓ **Upregulates glutathione synthesis.** This provides protection to key tissues with age-related declines in glutathione levels, such as those of the eye and liver.*
- ✓ **Support glucose homeostasis.** Positively influences glucose transport metabolism and utilization, which may help promote healthy glucose clearance from the bloodstream.*
- ✓ **Neurologic health.** Promotes the health and function of neurological tissue, especially peripheral nerves.*
- ✓ **Detoxification Support.** Enhances detoxification of metals such as lead and cadmium and supports liver health.*
- ✓ **ATP production.** Promotes the production of cellular energy (ATP).*
- ✓ **Ease of use.** One small tablet provides 300 mg of high quality alpha-lipoic acid (ALA).
- ✓ **Suitable for vegetarians.**

Supplement Facts:

Serving Size 1 Tablet

Serving Per Container 60

	Amount Per Serving	% Daily Dose
Alpha Lipoic Acid	300 mg	+

+ Daily Value (DV) Not Established

Other ingredients: Microcrystalline cellulose, Silica, Stearic acid, Cellulose, and Magnesium stearate.

Suggestion Dose: One tablet daily
